A PTBO Tradition

PMF is one of the longest running free admission summer concert series in Canada since our founding year, 1987.

2026 will mark Peterborough Musicfest's 39th Season with free concerts held every Wednesday and Saturday night at Del Crary Park in the heart of Peterborough Ontario.

Free Music All Summer Long

Del Crary Park stage has hosted the likes of **City & Colour (solo), Metric, Little River Band, Carly Rae Jepsen, Big Wreck, Tegan and Sara, Our Lady Peace, Tom Cochrane, The Reklaws, Kim Mitchell, Walk Off the Earth, Randy Bachman, Down With Webster, Alan Doyle, and many more.**

The quality of our line-up – now enhanced by exciting new programs like Woven Stories, celebrating community voices, and the Future Sound Series, showcasing rising talent – draws an incredible 118,500 fans each summer. This energy fuels our downtown and area attractions, creating a \$4.3 million economic impact, as confirmed by a 2023 study. That's a major boost for local hotels, restaurants, and bars. Peterborough Musicfest also helps create the equivalent of 93 jobs throughout its annual run.

We're powered by corporate sponsorships (many from small, locally owned businesses), multi-level government support, fundraising initiatives, and private donations – and we remain proudly, and uniquely, free for everyone to enjoy.

That's right – it's absolutely FREE to see the likes of Colin James, Serena Ryder, Gordon Lightfoot, 54.40, Blue Rodeo, and so many more at Peterborough Musicfest because...

This feisty, industrious, creative city believes that free, live music should be accessible to everyone.
